

HATEM MOHAMED

FULL STACK DEVELOPER

Tanta-Elgharbyia • 01033905996 • hatemmohamed0hm@gmail.com

SUMMARY

A motivated web development student with a strong foundation in Front-End technologies such as HTML, CSS, and JavaScript, along with solid knowledge of programming fundamentals, back end development and problem-solving. Have the ability to work and communicate with a team within a work environment. Experienced in using frameworks and libraries like Bootstrap and React. Proficient in leveraging AI tools such as GitHub Copilot, ChatGPT, Codeium, Lovable, etc.. to streamline and accelerate Front-End development tasks. Seeking a full stack internship opportunity to gain hands-on experience, apply my skills in real-world projects, and contribute to building real web application with node.js. Passionate about continuous learning and staying updated with the latest web development trends.

CORE SKILLS

- | | | | |
|--------------|--------------|--------------------------|---------------------------|
| • HTML5 | • ES 6 | • OOP | • Node.js |
| • CSS3 | • TypeScript | • Problem solving skills | • Express.js fundamentals |
| • Bootstrap | • React.js | • AI front-end tools | • MongoDB |
| • JavaScript | • JQuery | | |
-

EXPERIENCE

- Trained in T_Square Academy for computer science on front end principles with React framework for 4 months
 - 6 months Freelance full stack developer
-

MY ROLE

- Developed and maintained responsive web interfaces using foundation technologies of frontend development like HTML, CSS, JavaScript, and React.js
 - Collaborated with designers and backend developers to turn UI/UX designs into functional user interfaces.
 - Integrated frontend components with backend APIs, ensuring smooth data flow and user experience.
 - Used version control tools (e.g., Git) to manage and track code changes.
 - Optimized web performance and ensured cross-browser compatibility with all sizes of screens
-

EDUCATION

- Bachelor degree in Physics Tanta-university
 - Educated from CS50 course for programming fundamentals and Algorithms
 - Educated from T_Square Academy as a frontend developer
-

ADDITIONAL INFORMATION

- **Technical Skills:** Microsoft office programs, Git, Git hub, AI tools for programming (lovable, cursor, chat GPT)
 - **Languages:** Arabic(mother tounge), English, Deutsche
 - **Personal skills:** Have a good communication and personal skills, and able to work with a team
