

HATEM MOHAMED

Tanta, El-Gharbia – Egypt • 01033905996 • hatemmohamed0hm@gmail.com <https://hatem-portfolio.lovable.app>

SUMMARY

Motivated Front-End Developer with a solid understanding in HTML, CSS, JavaScript, and React.js. I have a strong problem solving skills, proficient in using modern front-end tools and AI Agents to streamline development. Adept at building responsive, userfriendly interfaces and integrating with backend APIs. Eager to join dynamic Teams and contribute to real-world projects>

WORK EXPERIENCE

Freelance Front-End Developer	6-months
- Built and maintained responsive websites using HTML, CSS, JavaScript, and React. - Integrated APIs and ensured smooth UI/UX experience. - Used Git for version control and team collaboration. - Ensured cross-browser compatibility and performance optimization	
Front-End Training – T_Square Academy	4-months
- Hands-on training in front-end development. - Built projects using React, Bootstrap, and modern tools. Applied clean coding and UI principles	
Front-End Training – CodeAlpha (Remote)	1-months
- Developed responsive web applications using HTML5, CSS3, and JavaScript. - Built interactive user interfaces using React.js and managed component states effectively. - Applied Bootstrap and Flexbox/Grid for responsive design and cross-device compatibility. - Consumed APIs and displayed dynamic content using Fetch API / Axios. - Applied version control using Git & GitHub (including pull requests, branches, commits). - Completed mini-projects such as: (Portfolio Website - Music Player - Image Gallery)	

TECHNICAL SKILLS
